

Table Connect-Inclined

The Table Connect Inclined offers a fresh, innovative approach to desktop power and data connectivity. This ultra-slim, modular system pairs style with functionality, delivering reliable Power, USB Charging, and DATA/ AV Connectivity options within a high-strength aluminum extrusion and robust molded metal end caps. Designed with durability and ease of use in mind, the Inclined Model securely mounts to desk edges via a specialized clamp, ensuring a stable and streamlined installation on various surfaces. This combination of modularity, strength, and sleek design makes it ideal for modern work environments that prioritize both aesthetics and functionality.
