

Table Connect-Raised

The Table Connect Raised provides seamless Power and DATA Connectivity at the desktop with a sleek, modern design that enhances any workspace. Featuring screw-less side plates, it offers an uncluttered, refined look free of visible fasteners, bringing both elegance and simplicity to desk setups. Its versatile appearance and fitting options allow it to adapt easily to different desk styles, while the quick clamp fittings ensure secure and hassle-free attachment to most desk surfaces. This combination of functionality and aesthetic appeal makes it a sophisticated addition to any office environment.
