

Product Description:-

Accessories - Inside the Table-top

The Soft Flip Cover is a sleek and efficient solution that keeps cables organized and out of sight, ensuring a clean and tidy workspace. The soft flip mechanism is the standout feature, allowing for effortless closure of the lid without any sound, providing a smooth, quiet action. This ensures you can easily manage and connect devices while maintaining a peaceful environment. The cover is specifically designed to prevent cable tangling, offering a streamlined, clutter-free appearance without compromising on functionality. Installation is simple, requiring only a basic tabletop cutout, allowing the Soft Flip Cover to integrate seamlessly into your workspace. With its minimalist design and convenient Soft Flip action, this cover is the perfect addition to maintaining an organized, professional, and efficient environment.
